MEMORANDUM FOR THE RECORD

STATINTL

SUBJECT: [REDACTED]

STATINTL

1. Mr. Carl P. Friend, GAO attorney, informed me via telephone today that he has completed a draft opinion in the [REDACTED] case. The opinion will be forwarded immediately through GAO channels for approval and signature of the Comptroller General.

2. The draft opinion contains a statement that GAO has been advised informally by CIA that [REDACTED] consultations are "rather infrequent." I informed Mr. Friend that the Admiral is consulted on ten to fifteen days per month. He indicated this is what he meant by "rather infrequent."

3. The draft opinion also contains a statement that GAO has been advised informally by CIA that if any one consultation requires more than one day, [REDACTED] is paid for only one consultation. This statement was inserted as an indication that [REDACTED] is paid for each consultation, rather than on a time basis. I informed Mr. Friend that I knew of no case in which any consultation with [REDACTED] continued beyond one day. I also stated that the contract would require that [REDACTED] be paid \$50.00 per consultation, regardless of the length of that consultation. In other words, if one consultation takes two days, [REDACTED] should receive only \$50.00.
